Collection, Use and Disclosure of Personal Information

Personal information means recorded information about an identifiable individual, including the individual's name, address, or telephone number. The full definition of personal information can be found in Section 2 (u) of the Access to Information and Protection of Privacy Act, 2015 (ATIPPA).

We may collect and retain personal information for several reasons, including:

- Permit Applications
- To communicate with you
- Tax collection

Any personal information will be collected in compliance with ATIPPA. Information will only be used for the intended purpose, or another use authorized by ATIPPA.

You should be aware that under these guidelines, personal information you provide may be disclosed in the following documents:

- An Access to Information Request, where the disclosure would not be an unreason able invasion of privacy.
- As per Section 50 of the *Towns and Local Service Districts Act*, the following documents shall be made available for public inspection during the normal business hours:
 - a) adopted minutes of the council
 - b) assessment rolls
 - c) regulations
 - d) municipal plans
 - e) opened public tenders
 - f) financial statements
 - g) auditor's reports
 - h) adopted budgets
 - i) contracts
 - i) orders
 - k) permits; and
 - I) Rep. by 2000 c16 s2
 - m) all other documents tabled or adopted by council at a public meeting.

If you do not wish to have your personal information disclosed, please indicate this in your correspondence. We cannot guarantee the information will not be disclosed.

Application Process

As part of the application process a site visit will be conducted to ensure the accuracy of the information provided by the applicant as well as compliance with the Town's policies/regulations.

- Prior to submitting the application, the applicant will be required to mark the area of the
 proposed extension on the property for the purposes of a site visit to be completed by Town
 staff. Markings must reflect the measurements/dimensions of the proposed structure as
 included on this application.
- Once the application is received by the Town, a site visit/inspection may be conducted at any time prior to the public meeting.
- Information collected during the site visit will be included with the application for Council's review and consideration at the regular monthly public meeting.

If the application is approved:

- The applicant will be notified of approval and any specific conditions that may be required as part of the development.
- Once the conditions have been met, the applicant can arrange for payment of any applicable fees, deposits and/or outstanding taxes and the permit will be issued.
- Once the permit has been issued, and site work has commenced, the town may perform an
 inspection on ensure that the conditions attached to the permit and the Towns
 policies/regulations are being met.
- Failure to comply with the conditions of the permit and/or any town policies or regulations may resultin a "Stop Work Order" being issued.

If the application is denied:

- The applicant will be notified that their application has been denied.
- The applicant may choose to submit a new application. The new application must contain new information or a material change to the proposed development.

Appeals:

 Any interested party has a right to appeal a decision of Council to the Appeal Officer, Department of Municipal and Affairs, P.O. Box 8700 St. John's NL A1B 4J6, within 14 days of the date of the decision of Council.

Signing of this document provides acknowledgement that you have read and understand the requirements of the ATIPPA legislation as well as the Town's application and permit process.
